

Hawaii Public Housing Authority (HPHA)

On behalf of the State of Hawaii and the employees of Hawaii Public Housing Authority (HPHA), we invite the following highly motivated and dedicated professionals to join our team and make a difference!

Project Engineer

(\$60,000 - \$70,000)

The primary purpose of this position is to ensure that development of each project, and its design and construction is completed within the time frames established for each project, and in accordance with federal and/or state mandates. The position will manage, plan, do cost estimates, maintain cost data records, review complex engineering designs, and administer multiple design construction contracts and projects for HPHA.

Minimum Qualification Requirements

Education: Graduation from an accredited college or university with a Bachelor's degree in Architecture, Landscape Architecture, Building Construction or Engineering.

Substitution: Excess work experience as described below which provided knowledge, skills and abilities comparable to those acquired in four years of successful study while completing a college or university curriculum leading to a baccalaureate degree may be substituted for Education on a year-for-year basis. To be acceptable, the experience must have been of such scope, level and quality as to assure the possession of comparable knowledge, skills and abilities.

Experience: Three (3) years experience in the planning, design and construction of projects as a project coordinator, project manager, or contracting officer is preferred.

The above position is exempt non-civil service position. Salary is commensurate with training and experience. For more information about HPHA, visit our website at www.hcdch.hawaii.gov. HPHA is an equal employment opportunity employer. Continuous recruitment until need is met.
